**XL Screw Corporation In Austell, GA Has Expanded**

XL Screw Corporation is proud to announce the opening in June, 2006 of their newly built 109,000 sq ft facility in Austell, GA. The new 109,000 sq ft warehouse was built with future expansion plans in mind. XL is currently occupying 67,000 sq ft of their new facility.

The new state of the art facility is built to the same specifications as their new headquarters in Lincolnshire, IL. The narrow isle, high ceiling and perfect column spacing allows XL to maximize their storage capacity while providing even more efficiency to their shipping and receiving operations.

XL Screw Corporation's commitment to quality with competitive pricing and service is second to none in the importing industry and has been the business model since 1968. The new facility in Austell, GA will provide XL the ability to expand their product line in order to service their customers better.

Please contact your XL salesperson to learn about the new expanded product line and the many other services XL has to offer. The new contact information for XL Screw Corporation, Austell, GA is as follows:
